

### REMARKS

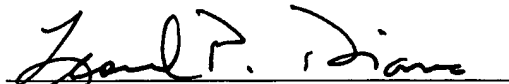

Claims 1-39 are pending in this application, the allowance of which Applicants note with appreciation. Claims 1, 2, 19, 20, 17, and 36 have been amended as to matters of form not affecting their intended scope; no new matter has been added. In most respects, the Examiner's suggestions for addressing the various objections and formal rejections have been adopted; in the independent claims, however, the "one window" referred to in the phrase that formed the basis for the rejection of those claims, corresponds to the "element of said multi-window" and not to another window, and for this reason, the phrase in question has simply been deleted, to eliminate any confusion.

In addition, the title has been amended to make it more descriptive.

In view of the foregoing amendments and remarks, Applicants respectfully request favorable reconsideration and early passage to issue of the present application.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
